PROFILE

Finance Operations Assistant focused on accurate day-to-day work and practical process improvement. Comfortable clarifying requests, documenting repeatable steps and handing over clear instructions to colleagues.

EXPERIENCE

Juniper Bridge Services
2020-10 to 2026-08

- Maintained supplier bills and payment runs, issued customer invoices and reconciled receipt allocations with outstanding debtor items.
- Reconciled bank statements against cash-book balances and investigated returned payments and unexplained deposits.
- Used Sage for accounting entries and Excel pivot summaries and lookup checks to prepare ledger-review schedules.

SELECTED PROJECT

Process handover: documented the steps for matching invoice support and escalating disputed customer balances.
