PROFILE

Trainee Developer focused on accurate day-to-day work and practical process improvement. Comfortable clarifying requests, documenting repeatable steps and handing over clear instructions to colleagues.

SKILLS

Python; FastAPI; MongoDB; Git; pytest

EXPERIENCE

Trainee Developer | Fern Vale Services
2026-01 to 2026-08

- Implemented FastAPI routes for a document upload queue during a paid traineeship, with validation and retry handling.
- Used MongoDB for upload metadata. No SQL or relational database work is included in my training or employment projects.
- Used Git pull requests and wrote pytest checks for duplicate uploads and invalid file types.

SELECTED PROJECT

Learning project: built a command-line file organiser and documented edge cases involving repeated filenames.

EDUCATION

Certificate in Programming, Elm Dock Training Centre, 2025
