# Finley Ho

Business Systems Analyst

cv-017@example.com | Singapore

## PROFILE

Business Systems Analyst focused on accurate day-to-day work and practical process improvement. Comfortable clarifying requests, documenting repeatable steps and handing over clear instructions to colleagues.

## SKILLS

SQL; Git; Python basics; Process mapping

## EXPERIENCE

Business Systems Analyst | Maple Vale Services

2020-01 to 2026-08

- Collected requirements and tested an external vendor portal. Python study is limited to introductory exercises; I did not implement backend APIs.
- Wrote SQL joins against the reporting database to reconcile customer orders with billed service usage.
- Used Git pull requests and wrote automated pytest acceptance tests for vendor-delivered workflows, while the vendor owned backend implementation.

## SELECTED PROJECT

Requirements workshop: mapped approval steps and converted operations feedback into acceptance examples for the vendor.

## EDUCATION

BSc in Business Information Systems, Westport College, 2019

## CERTIFICATIONS

No professional certifications listed.
