PROFILE

Commercial Operations Coordinator focused on accurate day-to-day work and practical process improvement. Comfortable clarifying requests, documenting repeatable steps and handing over clear instructions to colleagues.

EXPERIENCE

Cobalt Grove Services
2022-01 to 2026-08

- Updated Salesforce opportunity stages, activity records and account ownership for a B2B equipment supplier.
- Produced Excel pivot summaries of open quotes and used VLOOKUP to reconcile product codes with the approved price list.
- Drafted equipment quotations, followed up on missing purchase-order details and coordinated confirmed orders with warehouse staff.

SELECTED PROJECT

Pipeline cleanup: reviewed ageing opportunities with account managers and documented closure reasons for the monthly sales meeting.
