PROFILE

B2B Account Coordinator focused on accurate day-to-day work and practical process improvement. Comfortable clarifying requests, documenting repeatable steps and handing over clear instructions to colleagues.

EXPERIENCE

Juniper Grove Services
2021-11 to 2026-08

- Maintained Salesforce account, contact and opportunity records for a workplace furniture supplier, including quote revisions.
- Used Excel pivot tables and VLOOKUP to report weekly pipeline movement and reconcile quoted products with approved catalogue codes.
- Prepared furniture quotations, followed up on layout approvals and coordinated order handover with the installation scheduler.

SELECTED PROJECT

Sales meeting pack: condensed open decisions into an action log and tracked owners through to the next weekly review.
