PROFILE

Office Administrator focused on accurate day-to-day work and practical process improvement. Comfortable clarifying requests, documenting repeatable steps and handing over clear instructions to colleagues.

EXPERIENCE

Cedar Field Services
2022-03 to 2026-08

- Booked meeting rooms and maintained an office supplies register for an administrative team.
- Forwarded supplier invoices to the external accountant and filed payment confirmations when received.
- Read introductory material about Xero, QuickBooks, AP and AR. I have not posted ledger transactions or reconciled a bank account.

SELECTED PROJECT

Office records project: reorganised purchase requests and created a simple approval tracker for internal supplies.
