Inventory Data Assistant

cv-014@example.com | Singapore

PROFILE

Inventory Data Assistant focused on accurate day-to-day work and practical process improvement. Comfortable clarifying requests, documenting repeatable steps and handing over clear instructions to colleagues.

SKILLS

Excel; Warehouse ERP; Stock reports

EXPERIENCE

Inventory Data Assistant | Harbour Field Services
2021-01 to 2026-08

- Updated warehouse stock movements and checked supplier delivery quantities against goods-receipt records.
- Reconciled physical stock counts with inventory records. Bank-statement reconciliation was outside my work.
- Used Excel and warehouse inventory screens in an ERP system. I did not use its accounting module or maintain financial ledgers.

SELECTED PROJECT

Stock adjustment register: recorded supervisor-approved corrections and linked them to count sheets.

EDUCATION

Diploma in Logistics Data, Beacon Skills Institute, 2020
