PROFILE

Sales Support Executive focused on accurate day-to-day work and practical process improvement. Comfortable clarifying requests, documenting repeatable steps and handing over clear instructions to colleagues.

EXPERIENCE

Amber Dock Services
2023-01 to 2026-08

- Maintained Salesforce account details, deal stages and activity notes for a B2B security-services sales team.
- Used Excel for data entry and basic sums. I have not used pivot tables or lookup functions for sales reporting.
- Prepared service quotations from a rate card, coordinated customer clarifications and passed confirmed scope to operations.

SELECTED PROJECT

Customer contact cleanup: verified account contacts with sales staff and documented the route for future correction requests.
