PROFILE

Accounts Assistant focused on accurate day-to-day work and practical process improvement. Comfortable clarifying requests, documenting repeatable steps and handing over clear instructions to colleagues.

EXPERIENCE

Juniper Field Services
Start date not stated to 2026-08

- Processed supplier bills and payment lists, raised customer invoices and allocated receipts for a small maintenance company.
- Completed monthly bank reconciliations and investigated unmatched deposits and unpresented payments.
- Used Xero for transaction entry and Excel lookup checks to review invoice references and outstanding balances.

SELECTED PROJECT

Month-end support: followed up on missing source documents and kept a status list for the supervising accountant.
