## PROFILE

Full Stack Developer focused on accurate day-to-day work and practical process improvement. Comfortable clarifying requests, documenting repeatable steps and handing over clear instructions to colleagues.

## SKILLS

TypeScript; NestJS; PostgreSQL; Git; Jest; Vue

## EXPERIENCE

Full Stack Developer | Willow Quay Services  
2023-07 to 2026-08

- Implemented NestJS application endpoints and pricing rules for a subscription service, including request validation and event retries.
- Added PostgreSQL migration scripts and relational constraints so customer plans, invoices and credit notes stayed consistent.
- Used peer-reviewed Git commits and Jest unit tests plus end-to-end tests for subscription renewal and failed payments.

## SELECTED PROJECT

Customer support console: built a Vue interface for looking up account events and exporting a support history.
