PROFILE

Finance Administrator focused on accurate day-to-day work and practical process improvement. Comfortable clarifying requests, documenting repeatable steps and handing over clear instructions to colleagues.

EXPERIENCE

Cobalt Bridge Services
2021-09 to 2026-08

- Recorded supplier bills, prepared payment listings, raised customer invoices and matched incoming receipts to the accounts receivable ledger.
- Reconciled monthly bank statements to cash-book entries and followed up on duplicate postings and timing differences.
- Used QuickBooks for ledger entries and Excel pivot tables and lookups to check invoice status and outstanding balances.

SELECTED PROJECT

Supplier records: standardised invoice-reference entry and built a review list that helped prevent duplicate bill processing.
