
Ellis Seah

Software Developer

cv-046@example.com | Singapore

PROFILE

Software Developer focused on accurate day-to-day work and practical process improvement. Comfortable clarifying requests, documenting repeatable steps and handing over clear instructions to colleagues.

SKILLS

Python; Django; PostgreSQL; Git; pytest

EXPERIENCE

Software Developer | Quartz Vale Services
2023-03 to 2026-08

- Implemented Django service endpoints for warranty claims and case assignment with input and permission checks.
- Worked on a PostgreSQL-backed application alongside a shared data team responsible for database changes and reporting support.
- Used Git merge requests and wrote pytest tests for claim validation and assignment rules.

SELECTED PROJECT

Customer claim portal: documented common error messages and improved the sequence of fields in the submission form.

EDUCATION

BSc in Applied Computing, Lighthouse Technical College, 2022

CERTIFICATIONS

No professional certifications listed.
