cv-048@example.com | Singapore

SKILLS

AutoCount
Excel
Invoice processing
Bank reconciliation

EDUCATION

Certificate in Bookkeeping, Open
Harbour Learning Centre, 2020;
no university degree

CERTIFICATIONS

No professional certifications
listed.

PROFILE

Accounts Support Officer focused on accurate day-to-day work and practical process improvement. Comfortable clarifying requests, documenting repeatable steps and handing over clear instructions to colleagues.

EXPERIENCE

Cedar Bridge Services
2021-04 to 2026-08

- Processed supplier invoices and payment requests, issued customer invoices and tracked receipts against outstanding debtor balances.
- Reconciled bank statements each month and investigated charges, unmatched transfers and receipts posted to the wrong account.
- Used AutoCount for bookkeeping and Excel lookup formulas to reconcile invoice logs with the ledger and ageing reports.

SELECTED PROJECT

Invoice filing project: linked supporting documents to ledger references and created a missing-document follow-up register.
