
Avery Chen

Junior Software Developer

cv-049@example.com | Singapore

PROFILE

Junior Software Developer focused on accurate day-to-day work and practical process improvement. Comfortable clarifying requests, documenting repeatable steps and handing over clear instructions to colleagues.

SKILLS

Python; FastAPI; PostgreSQL; Git; pytest

EXPERIENCE

Junior Software Developer | Lantern Quay Services
2025-09 to 2026-08

- Implemented Python API endpoints for stock enquiries and low-stock alerts under the guidance of a senior developer.
- Wrote PostgreSQL joins and a migration for supplier lead-time fields used by the purchasing dashboard.
- Submitted Git pull requests and added pytest tests for empty orders, missing supplier codes and duplicate notifications.

SELECTED PROJECT

Capstone, before employment: built a small inventory demo with sample data. It was an academic project without commercial users.

EDUCATION

Diploma in Software Development, North Quay College, 2025

CERTIFICATIONS

No professional certifications listed.
