
Riley Goh

Contract Software Developer

cv-057@example.com | Singapore

PROFILE

Contract Software Developer focused on accurate day-to-day work and practical process improvement. Comfortable clarifying requests, documenting repeatable steps and handing over clear instructions to colleagues.

SKILLS

JavaScript; Node.js; SQLite; Git; Mocha

EXPERIENCE

Contract Software Developer | Maple Quay Services
2021-03 to 2024-02

- Delivered Node.js HTTP endpoints for dispatch allocation and proof-of-delivery updates under paid contracts to a logistics SME.
- Modelled dispatch jobs and driver assignments in SQLite and wrote SQL extracts used for daily delivery reconciliation.
- Submitted changes through the client Git repository with code review and maintained Mocha tests for dispatch status transitions.

SELECTED PROJECT

Personal refresher, 2026: rebuilt a small dispatch demo with current dependencies and documented the migration steps. Career break from March 2024 to December 2025.

EDUCATION

Diploma in Digital Systems, Lantern Polytechnic, 2019

CERTIFICATIONS

No professional certifications listed.
