PROFILE

Sales Operations Coordinator focused on accurate day-to-day work and practical process improvement. Comfortable clarifying requests, documenting repeatable steps and handing over clear instructions to colleagues.

EXPERIENCE

Juniper Dock Services
Start date not stated to 2026-08

- Maintained HubSpot company, contact and opportunity records for a B2B recycling-services team.
- Used Excel pivot tables and XLOOKUP to report quote ageing and reconcile customer service categories.
- Prepared service quotations, followed up on collection requirements and handed confirmed orders to route planners.

SELECTED PROJECT

Customer handover checklist: captured access instructions and agreed collection frequency before the first service visit.
