PROFILE

Digital Content Coordinator focused on accurate day-to-day work and practical process improvement. Comfortable clarifying requests, documenting repeatable steps and handing over clear instructions to colleagues.

EXPERIENCE

Cedar Vale Services
2022-01 to 2026-08

- Published product descriptions in a content management system and maintained image naming conventions for a retail catalogue.
- Copied weekly sales figures from a vendor dashboard into a presentation and checked product names with the merchandising team.
- Completed introductory videos covering Python, JavaScript, SQL and Git. I have no coding project or software delivery work to list.

SELECTED PROJECT

Catalogue refresh: coordinated content checks with three product owners and maintained a register of missing images.
