## PROFILE

Billing and Payments Clerk focused on accurate day-to-day work and practical process improvement. Comfortable clarifying requests, documenting repeatable steps and handing over clear instructions to colleagues.

## EXPERIENCE

Amber Field Services  
2023-01 to 2026-08

- Entered supplier invoices and payment records, raised customer bills and allocated receipts to outstanding invoices.
- Filed bank statements for the accountant. I did not perform bank reconciliations or investigate differences.
- Used QuickBooks for ledger entries and Excel schedules to check invoice dates, references and unpaid balances.

## SELECTED PROJECT

Billing checklist: introduced a review of purchase-order references and billing addresses before invoices were issued.
